Totals

The 8th Sustainable Agriculture and Natural/Organic Gardening Conference was held in Edinburg, Texas, January 30-31, 2009. Because the program was multi-tracked, the presentations were recorded and printed to DVDs so everyone could re-play these presentations. The DVDs are available for purchase either individually or as a set of nine. Here are the titles:

- Disc 1: Organic Pecan Production, *Dr. Joe Bradford*
Minerals and Paramagnetism, *Malcolm Beck*
- Disc 2: Natural Grown: Farms at School, *John Garland*
Sustainable Pastures, *Damon Cook*
- Disc 3: Sustainable Watermelon Production, *Paul Wiggins*
Soils, Grass and Cows, *Doug Gunnink*
- Disc 4: Maintaining Healthy Trees in a Tropical Fruit Orchard, *Kathy Pechacek*
Organic Nematode and Disease Control, *Dr. Mani Skaria*
- Disc 5: Disease on Melons, *Dr. Benny Bruton*
Soil Inoculants, *Wayne Tucker*
- Disc 6: Soil Food Web, *Dr. Larry Zibilske*
Biological Control of Invasive Weeds in the Rio Grande Basin, *Dr. John Goolsby*
- Disc 7: Micro-Budding: Orange Revolution, *Dr. Mani Skaria*
- Disc 8: Organic Certification, *Jessica Morrison*
- Disc 9: Compost Tea: Preparation and Use (*S.A.E.A members*)
